

Simple Environmental Review

This simple review is suitable for the Bronze award. To achieve Silver or Green Flag status, schools must complete a full environmental review, however, this audit could be carried out by pupils as a supplement to the full review.

Litter/Rubbish

1. Is there too much litter on the ground in the school grounds? Yes No
2. Does the school have organised litter picking sessions? Yes No
3. Are there enough bins inside and outside, in the school grounds? Yes No

Energy

4. Are the lights left on in classrooms when people aren't in them? Yes No
5. Is it sometimes too hot in classrooms and the heating cannot be turned down? Yes No
6. Are the computers in the ICT suite left on when not in use? Yes No

Waste

7. Does the school recycle its paper from classrooms and offices? Yes No
8. Does the school compost its waste fruit/vegetables/weeds etc? Yes No
9. Does the school try to buy goods made from recycled materials? Yes No

Water

10. Are there push-stop water-saving taps in the toilets? Yes No
11. Are there water-saving devices on the urinals in the toilets? Yes No

School Grounds

12. Does the school have a growing area? Yes No
13. Are there enough places for pupils to sit at playtime? Yes No

Biodiversity

14. Does the school have a wildlife area? Yes No
15. How else do you try to attract wildlife into the school grounds? _____

Transport

16. Is there a problem with cars outside school before school and at home time? Yes No
17. Is it possible for most pupils to walk/cycle to school or take public transport? Yes No

Healthy Living

- 18. Does the school have a fruit/healthy tuck shop at breaktimes? Yes No
- 19. Are healthy options encouraged for school dinners? Yes No
- 20. Is drinking water available in class? Yes No

Global Perspectives

- 21. Do pupils consider how actions taken within the school affect people and the environment locally and globally? Yes No
