Book Week 2010

Dear Parents,

During Book Week this year we are fortunate to have Ian Billings visiting to work and perform with the children and parents. Ian is a children's writer, poet, comedian and actor whose books are very entertaining and who performs in schools and theatres across the globe. In addition to this, Ian has also written scripts for a variety of children's T.V. shows including BBC's Chucklevision.

Ian will be leading workshops and/or performing for all the children in the school and we have asked him to do an evening performance for parents – I will send out more details about that nearer the time.

In the mean time we would like to order some of his books for pupils to buy and have him sign them once he is here. I asked him to suggest books that would appeal to various age groups and he provided the list below:
