

Dear Parents

This term we will be running a “Desert Exploration Club” for children from years 4 – 6 for the first time. This club will run as normal for the first 6 weeks from 2.45 – 4.00pm each Monday. We will go to Wadi Degla one week, when the club will be extended slightly. During these sessions we will cover many aspects of desert exploration, including research and planning, map work, navigation by both GPS and traditional methods, setting up a camp, fire starting etc.

In the final week of clubs we will take the children on a 3 day 2 night expedition from Sunday to Tuesday with Hany Amr of Desert Adventures Egypt. We will be using brand new Land Rover Defenders, all equipped with seat belts, an English speaking guide who is also First Aid Certified and will have a satellite phone to keep in contact with the school. All camping equipment, meals and water will be provided. The total cost of the trip will be roughly 1000le per child (depending on the exact number of participants).

If you wish your child to take part in this club, please complete the club form as normal, but don't send any money yet. We are limited to 20 places, so should more children apply, places will be allocated according to priorities on the club form.

If you have any questions please email
