Caps & Lids

MBIS House Competition The last chance...

You are doing a FANTASTIC job collecting bottle caps and lids. We counted the ones you brought in after the holidays and Sakara collected 936; Memphis 1102, and Giza 1,215. That brings the totals to

Sakara 936 + 793 (from 2009) = 1,729

Giza 1215 + 544 (from 2009) = 1,759

Memphis 1102 + 1132 (from 2009) = 2,234

There is still time to bring in more caps and lids. Collect one housepoint for each cap or lid; reduce pollution, and help your House win!

Thank you.
