

Dear Parents,

I would like to update you on the situation concerning extended school closure at Eid El Adha.

We can categorically state that despite the proliferation of rumours we have received no instruction from the Egyptian Authorities to close the school.

We have liaised with BISC, NCBIS and CAC regarding this matter and we are all in the same position. We will continue to monitor the situation and will inform parents as soon as any changes occur.

In the meantime MBIS will remain open. We would encourage parents to continue their efforts to follow the recommended good health and hygiene practices, including keeping sick children at home.

Thank you for your cooperation in this matter.

Regards,
Barbara Flynn
