

# MBIS House Competition

Attention all Sakara, Giza, and Memphis Members

Earn POINTS, help the environment, and WIN by bringing in clean plastic bottle caps and jar lids. Deposit your caps/lids in your "House Box" at the main entrance to the school and collect 1 housepoint for each cap or lid you donate.

Often these caps/lids end up as litter and migrate into our rivers and oceans. Birds and other marine creatures mistake them for food with tragic results. The magnitude of this pollution problem is devastating to our oceans and wildlife.

You can be part of the solution by helping us recycle these lids and caps.

**The house that fills their box first will be the winner!!!**

Thank you!  
The Eco Club
